

# **1. Vaccination:**

- Information about vaccination for people from 18 to 45 years will be updated subsequently; at present, it has **NOT** started yet.
- **Ex-serviceman and their dependents (above 45 years old)** with valid identity card and Aadhaar card can report to **ECHS polyclinic** next to Command Hospital Air Force Bangalore on all working days apart from Sunday for **COVISHIELD** vaccination.
- The vaccine stocks are limited and given to us on a day to day basis. Please report between **8 AM and 10 AM** to **ECHS polyclinic**.
- **Serving personnel and their dependents (above 45 years old)** can report to **Command Hospital Air Force Bangalore** between **8 AM and 10 AM** for **COVISHIELD** vaccination.
- Anyone else above 45 years old reporting to Command Hospital Air Force Bangalore for **COVISHIELD** vaccination will be provided injection based on the **availability of the vaccines** and **confirmed appointment on CoWIN @ [cowin.gov.in](https://cowin.gov.in)**.

## **2. RTPCR testing for Coronavirus:**

- We are conducting **RTPCR tests** at **FLU clinic** in Command Hospital Air Force only for serving personnel, ex servicemen and their dependents for **all suspected/symptomatic cases**.
- Please check your **result the next day after 8AM** on the website **<https://www.chaf-b.org>** and click on **RESULT** and type your **ORDER/DEMAND number** and **registered mobile number**.
- Please reconfirm your **order number**, **SRF ID** and **registered mobile number** before leaving the RTPCR testing centre.
- RTPCR report can also be collected from the **FLU clinic** in Command Hospital Air Force.
- RTPCR report can also be downloaded from **<https://www.covidwar.karnataka.gov.in>** by entering the **SRF ID** once the report is hosted on the website.

### **3. Availability of In-Hospital Corona care**

#### **/ Hospital treatment for COVID cases**

#### **(Hospital Beds / Ventilation / Oxygen).**

- Please understand that, we have very limited resources and overwhelming number of Serving / Ex-servicemen (ESM) and their dependant patients who are in critical condition requiring in-hospital care at present.
- Serving / Ex-servicemen (ESM) and their dependant patients with complaints of high grade fever / breathlessness / Influenza like illnesses (ILI) or any other serious issues in a setting of proven or suspected Coronavirus infection may please report to Flu-clinic inside Command Hospital Air Force Bangalore, near main gate for further assistance and management.
